Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too

Re: Docket number 20180046, as a customer of yours , we should be entitled to a monthly bill reduction, rather than your corporation putting this windfall into your corporate pockets!

The tax cut which has put our country into a higher deficit than ever before should have some benefits for us, your consumer, Your company is "fat" enough. its time for a little payback to your customers.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Arthur Greenspan
