Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I was shocked to learn Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders, instead of sharing with customers and lowering our bills.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

I, like most seniors, are facing increasing medical expenses, but minimal increase in our Social Security checks. Please help us!

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mrs. L. W. Phillips
