Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

My wife and I are aged over 70 and on limited income.

We're shocked that FPL is being so greedy while we suffer from increased power costs.

If other power companies are passing on their tax savings to customers, surely FPL should be forced to do the same.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Cliff Barr
