Ms. Thompson,

Below are responses to the 4 questions you raised in your email of March 8th.

1. Mr. Cubert advised that reference to a silt fence was not a part of the bid as shown in the 5 items listed. He indicated it was left on the proposal by mistake.
2. Wetherell indicated new.
3. New
4. New

Let me know if you need any more information.

We will also be mailing you additional bids on several items( still working on others) along with a letter from our engineer regarding those costs. Also, I am sending our engineers letter responding to your letter dated Feb. 11, Third Data Request with regard to question #3 on the DEP consent order.

Thank you,  
R. Hillman
