Re: Docket No. 20190059-TX – Request for cancellation of Certificate of Authority No. 7830, effective May 14, 2019, and request for relinquishment of eligible telecommunications carrier (ETC) designation in Florida, by Global Connection Inc. of America.

Dear Mr. Hinton:

AT&T Florida respectfully submits the following response to the Staff's March 21, 2019 "ETC Data Request" regarding the Global Connection Cox relinquishment petition.

AT&T Florida has relinquished its ETC designation for much of its Florida service territory, except for particular census blocks for which AT&T Florida is eligible to receive CAF II funding from the FCC. See Docket No. 20170082-TP, Order No. PSC-2017-0329-CO-TP, issued August 16, 2017.

Global Connection has indicated it is discontinuing service to its fewer-than-23 customers in Florida. To the extent any of those fewer-than-23 customers are in AT&T Florida's service territory and request service from AT&T Florida, it is likely that AT&T Florida would have facilities in place to serve them. Precise determinations as to service availability, however, would need to occur on a case by case basis as requests for service arise.

If you have any questions concerning this matter, please call me to discuss. I can be reached at 850-577-5553.

Sincerely,

MaryRose Sirianni
