Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

Enough...I am 67 years old. I need every penny.

It is unbelievable that FPL received a massive tax cut and is passing those tax cuts to shareholders.

Floridians deserve lower bills as a result of a tax savings.

Knock it off.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Cathy Longstreth
