Docket No. 20190015-EG

Filed: May 23, 2019

**FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR
CONFIDENTIAL CLASSIFICATION OF INFORMATION PROVIDED
IN RESPONSE TO STAFF OF THE FLORIDA PUBLIC SERVICE
COMMISSION'S SECOND REQUEST FOR PRODUCTION
OF DOCUMENTS (NOS. 9 - 10)**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests confidential classification of certain information provided in response to the Staff of the Florida Public Service Commission's ("Staff") Second Request for Production of Documents (Nos. 9 - 10) ("Confidential Discovery Responses"). In support of its Request, FPL states as follows:

1. On May 3, 2019, Staff served its Second Request for Production of Documents (Nos. 8-13) on FPL. FPL's Response to Staff's Second Request for Production of Documents (No. 9 - 10) contains information of a confidential nature within the meaning of Section 366.093(3), Florida Statutes.

2. FPL served its responses to Staff's Second Request for Production of Documents (Nos. 8-13) on May 23, 2019. This request is being filed contemporaneously with the service of the responses to Staff's discovery in order to request confidential classification of the Confidential Discovery Responses consistent with Rule 25-22.006, Florida Administrative Code.

3. The following exhibits are included with and made a part of this request:

a. Exhibit A consists of a copy of the Confidential Discovery Responses on which all information that FPL asserts is entitled to confidential treatment is highlighted.

b. Exhibit B consists of an edited version of the Confidential Discovery Responses on which all information that FPL asserts is entitled to confidential treatment is redacted.

c. Exhibit C is a table containing a page-and-line identification of the information highlighted in Exhibit A and a brief description of the Confidential Information. Exhibit C also references the specific statutory bases for the claim of confidentiality and identifies the declarants who support the requested classification.

d. Exhibit D contains the declaration of Andrew W. Whitley in support of this Request.

4. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes. This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determined that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

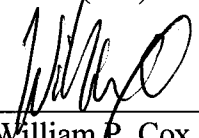

5. As the description included in Exhibit C and the declarations included in Exhibit D indicate, the Confidential Discovery Responses provided by FPL contain information concerning information relating to competitive interests of FPL or its vendors, the disclosure of which would impair the competitive business of FPL. This information is protected by Section 366.093(3)(e), Fla. Stat.

6. Upon a finding by the Commission that the Confidential Information remains proprietary and confidential business information, the information should not be declassified for at least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included herewith, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Commission review of numeric conservation goals (Florida Power & Light Company)

Docket No. 20190015-EG

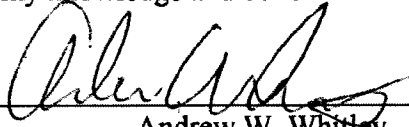

DECLARATION OF ANDREW W. WHITLEY

1. My name is Andrew W. Whitley. I am currently employed by Florida Power & Light Company ("FPL") as Engineering Supervisor in the Integrated Resource Planning department of FPL's Finance Business Unit. I have personal knowledge of the matters stated in this written declaration.

2. I have reviewed the documents and information included in Exhibit A to FPL's Request for Confidential Classification filed this date, for which I am listed as the declarant on Exhibit C. The documents that FPL seeks to have protected contain proprietary information that was produced for FPL by outside consultants. Specifically, the information consists of FPL's CO₂ price forecast, which is developed by a third party vendor and which FPL is contractually obligated to maintain as confidential. Disclosure of the proprietary forecast would impair the vendor's competitive interests and would be a contractual breach on the part of FPL. FPL treats these documents as confidential and proprietary and has previously successfully sought confidential treatment of these materials at the Commission.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Under penalties of perjury, I declare that I have read the foregoing declaration and that the facts stated in it are true to the best of my knowledge and belief.

Andrew W. Whitley
