Re: Docket No. 20190121-WS - In re: Application for limited proceeding rate increase in Polk County, by CHC VII, Ltd.

Dear Mr. Friedman:

We have received the response to the minimum filing requirements (MFRs) deficiencies submitted by you on June 26, 2019, on behalf of CHC VII, Ltd. In staff's deficiency letter dated June 26, 2019, staff deemed the utility's MFRs deficient until the remaining filing fee balance of \$1,250 was remitted. However, after verbal conversations with the utility and a review of the utility's design capacity permits, it was determined that the appropriate remaining filing fee balance owed to the Commission was \$750, which totals to \$1,750 for the filing fee pursuant to Rule 25-30.020(g), F.A.C. The utility has remitted the appropriate filing fee. As a result, we find that the MFRs are complete, and therefore the official filing date is established as June 26, 2019.

If you have any technical questions, please contact Marissa Ramos by phone at (850) 413-6473 or by email at mramos@psc.state.fl.us. If you have any legal questions, please contact the Commission attorney on this matter, Charles Murphy, by phone at (850) 413-6191 or by email at cmurphy@psc.state.fl.us.

Sincerely,
