Re: Docket No. 20190146-WS, Petition for limited alternative rate increase in Lake County by Lakeside Waterworks, Inc.

Dear Mr. Rendell:

On July 25, 2019, Lakeside Waterworks, Inc., (Lakeside) filed a petition for a limited alternative rate increase (LARI) requesting authority to increase its rates for water and wastewater service pursuant to Sections 367.0814 and 367.121, Florida Statutes (F.S.), and Rules 25-30.457 and 25-30.458, Florida Administrative Code (F.A.C.). In accordance with Rule 25-30.457, F.A.C., the petition must be accompanied by certain information and schedules in support of the requested increase. We have reviewed the petition submitted on July 25, 2019, and have determined that the utility has met the initial requirements imposed by Rule 25-30.457, F.A.C. Therefore, pursuant to Rule 25-30.457(4), F.A.C., the official date of filing is established as September 19, 2019.

The staff engineer has determined the filing fee in this LARI is \$1,000 for water. The fee is based on the capacity of the utility system as provided by Section 367.145(2), F.S., and Rule 25-30.020(2)(f), F.A.C. The appropriate filing fee of \$1,000 was received along with the petition for this LARI.

Sincerely,

A handwritten signature in cursive script that reads "Judy Harlow".
