Re: Docket 20190118-WU -- Application for increase in water rates in Gulf County
by Lighthouse Utilities Company, Inc.

Dear Mr. Maurey:

This is in response to your letter dated August 9, 2019 advising that the minimum filing requirements (“MFRs”) submitted by Lighthouse Utilities Company, Inc. (the “Utility”) were deficient. Despite its diligent efforts, due to accounting backlogs resulting from Hurricane Michael, the Utility will not be in a position to provide corrections to the deficiencies by September 9, 2019. The Utility, thus, respectfully requests that it be allowed to submit its corrections to those deficiencies no later than September 30, 2019. Please contact me if you have any questions regarding this request for additional time. Thank you for your consideration.

Sincerely,

HOLLAND & KNIGHT LLP
