Mr. Greenwald,

In response to your question below with regard to signing up for email alerts to any changes to dockets, the Florida Public Service Commission does not have such alert system. However, we will be glad to add you to the mailing lists for individual dockets, if you could provide us with specify docket numbers that you are interested in.

Interested persons receive all notices for hearing, prehearing, proposed agency action orders, final orders, and notices of Commission conferences via e-mail. If you are interested in receiving documents other than those mentioned above, for example, procedural orders, please contact staff counsel for instructions on becoming a party of record in specific dockets. The phone number for our General Counsel's Office is 850-413-6199.

Please note that the Commission is unable to automatically add persons to future new dockets. If you wish to be included in future dockets, please send your requests for those specific dockets to Clerk@psc.state.fl.us.

I hope you find this information helpful. Please feel free to contact us if you have any questions.
