**Request for Confidential Classification for Document No. 09323-2019**

---

On October 10, 2019 Peoples Gas System (PGS) filed a request for confidential classification for Document No. 09323-2019. This document contains information in the joint response by Florida Public Utilities Company (FPUC) and PGS to question 2(a) to Staff's First Data Request. The confidential information is the amount of capacity to which PGS will be subscribed once the Callahan Pipeline goes into service. Staff reviewed the document and concurs with PGS that the nature of the information meets the requirements set forth in Sections 366.093(3)(d) and (e), Florida Statutes, whereby disclosure of the information would harm the competitive business operations of both PGS and FPUC.

Therefore, staff recommends that the request by PGS for confidential classification of Document No. 09323-2019 be approved.
