**Subject:** {BULK} RE: Docket No. 20190172 - GU

**Importance:** Low

All,  
FCG would respectfully like to request a deferral of Item 11, which is the FCG Safe True Up and Request for SAFE Factors for 2020. Unfortunately, an error has been identified in the filing made on Friday, November 1. FCG is working expeditiously to make the further correction. FCG recognizes that the last-minute identification of this issue presents a significant challenge given that this item is scheduled to be heard by the Commission tomorrow. As such, FCG asks that this Item 11 be deferred until the December 2019 Agenda conference to allow the Company to make a corrected filing for the Commission's consideration.

Best regards,  
Beth Keating
