NCTS Letter of Authorization by Peoples Gas)	
System)	Submitted for Filing:

PETITION FOR APPROVAL OF TARIFF MODIFICATIONS

Peoples Gas System ("Peoples" or the "Company"), by and through its undersigned attorneys, hereby requests the Commission's approval of modifications to the Company's Natural Choice Transportation Service Rider ("Rider NCTS"), the Gas Service Agreement "GSA" and the Natural Choice Transportation Service Letter of Authorization "LOA" all contained in Peoples' Natural Gas Tariff, Original Volume No. 3 (the "Tariff"). Peoples hereby submits its proposed new and revised tariff sheets to become effective on the date of the Commission's vote, and in support of its request states:

1. The name and address of the petitioner are:

Peoples Gas System 702 N. Franklin Street Tampa, Florida 33602

2. The persons to whom notices, orders and pleadings in this docket should be addressed are:

Andrew M. Brown, Esquire Thomas R. Farrior, Esquire Macfarlane Ferguson & McMullen Post Office Box 1531 Tampa, Florida 33601-1531 Paula K. Brown Peoples Gas System Post Office Box 111 Tampa, Florida 33601-0111

Kandi M. Floyd Director, Regulatory Affairs Peoples Gas System Post Office Box 111 Tampa, Florida 33601-0111

- Peoples is a natural gas local distribution company ("LDC") providing sales and transportation delivery of natural gas throughout most of the State of Florida and is a public utility subject to the Commission's regulatory jurisdiction under Chapter 366, Florida Statutes.
- 4. By this petition, Peoples seeks the Commission's approval of modifications to (i) Rider NCTS to change the monthly enrollment date by which a Pool Manager must enroll a customer for participation in the NCTS Program in the subsequent month, (ii) amend the NCTS LOA contained in Tariff Sheet 8.118 and the GSA contained in Tariff Sheet Nos 8.102 to align with Peoples' Gas Management System "GMS". (See Sheets No. 7.803 through 7.803-3 for the requirements of customers and a third-party supplier ("Pool Manager") participating in the NCTS program). The program was initially approved following the Commission's adoption of Rule 25-7.0335, Florida Administrative Code which required all Florida LDCs subject to the Commission's regulatory jurisdiction under Chapter 366 to make transportation service available to all non-residential customers.

BACKGROUND

5. Introduced in July 2000, Peoples' Natural Choice Transportation Service Rider (NCTS) program has over 27,000 customers participating in the program along with 20 approved third-party natural gas providers known as pool managers. The program allows customers who qualify to purchase natural gas directly from a pool manager and pay Peoples only for the transportation of natural gas on its system. The Natural Choice Transportation Service Rider NCTS is found in Peoples' Tariff Sheet Nos.

7.803 – 7.803-3. The Natural Choice Transportation Letter of Authorization (LOA) is found in Tariff Sheet No. 8.118 and is the formal request by the customer for gas transportation service pursuant to Peoples Rider NCTS. The LOA formally notifies Peoples of the Pool Manager selected by the Customer.

6. The GSA is a standard form that is completed by the customer in order to initiate natural gas service and provides a wide range of information to Peoples including, among other things, contact information, service address, estimated usage and rate classification. The reverse side of the GSA (8.101-1), contains the terms and conditions of gas service to be provided to the customer. The Company is not seeking a change to the reverse side of the form in this filing.

PROPOSED TARIFF MODIFICATIONS

7. Peoples seeks to modify Tariff Sheet No. 7.803-2 and 7.803-3 to change the enrollment date by which the Pool Manager enrolls the customer in the NCTS program from the twentieth day of the month to the fifteenth day of the month. This requested change on Tariff Sheet No. 7.803-2 will provide the Pool Manager additional time in the month to complete the therm usage forecast for the upcoming production month, which will result in more timely and accurate nominations. Additionally, the requested modification of Tariff Sheet No. 7.803-3 changes the deadline by which the Pool Manager may submit a request to terminate a customer to the sixteenth day of the month. It is currently 30 days prior to the first day of the month that the termination is to take place. This change provides Pool Managers more flexibility as it reduces the

time frame for notification to Peoples when shifting customers between pools or returning customers to system supply.

- 8. Peoples' NCTS Letter of Authorization form contained on Tariff Sheet No. 8.118 requires modification to modernize the terminology, allow for electronic signatures and make the form more compatible with Peoples internal information systems. The modified form will simplify the enrollment process and de-enrollment process in the NCTS program. Additionally, to enhance simplicity, Attachment A allows the Pool Manager to complete one LOA for a customer with multiple meters at one location.
- 9. The GSA has not been modified since 2003 and modification is required at this time to modernize the terminology, allow for electronic signatures, and generally make the form and the information it provides more compatible with Peoples' internal information system supporting the NCTS program.
- 10. In October 2019, Peoples provided Pool Managers an overview of the GMS system and an update on the proposed changes contained in this petition related the timing for enrolling and terminating customers in the NCTS program. None of the Pool Managers has expressed any concerns with the changes.
- 11. Attached to this petition are legislative format versions of the new and revised tariff sheets for which the Commission's approval is sought. The proposed "Clean" tariff sheets are provided as Exhibit B and the proposed legislative tariff sheets are provided as Exhibit A. The proposed "Clean" Gas Services Agreement form is provided as Exhibit D and the proposed Gas Services Agreement is provided in Exhibit C. The

proposed "Clean" Letter of Authorization form is provided as Exhibit F and the proposed Letter of Authorization is provided in Exhibit E.

CONCLUSION

12. Peoples believes that the tariff modifications for which it seeks approval are reasonable, appropriate, and consistent with efforts of Peoples and the Commission to promote operational efficiency and enhance the customer experience.

WHEREFORE, Peoples Gas System respectfully requests that the Commission enter an Order permitting the revised tariff sheets submitted with this Petition to become effective on the date of the Commission's vote adjudicating this Petition.

Respectfully submitted,

applicable provisions of the Tariff. PGS's tariff on file with the Florida Public Service Commission ("FPSC"), as the same may be amended from time to time.

Subject to the terms of Rider NCTS and the Firm Delivery Agreement, such service shall continue until any-of-customer, Pool Manager, or PGS gives written notice to the others of the termination of such service in accordance with Rider NCTS. If the Firm Delivery Agreement is terminated for any reason as it applies to any Gas to be delivered for Customer's account(s) for transportation by PGS, PGS shall have the right to immediately terminate transportation service to the above account(s) under Rider NCTS.

Customer understands that it may terminate participation in Rider NCTS with thirty (30) days notice and return to sales gas service from the Company. However, the Customer must then remain on sales gas service from the Company for the following twelve-month period. In the event the Pool Manager terminates its agreement with the Customer without the Customer's consent, the Customer may return to Rider NCTS, but not to the same Pool Manager within the twelve-month period.

Customer agrees to pay PGS in accordance with the applicable rate schedule for the transportation of gas for Customer's account(s), including charges that may be applicable under Rider NCTS that are not applicable under sales service. Customer understands that it is responsible for the payment of all bills rendered to Customer by Pool Manager, and that each Pool Managers bill for gas purchased by Customer will be rendered separately from PGS's bill for transportation service. It is the Customer's obligation to make payments to the Company (or to an Authorized Payment Agent of the Company) of all bills rendered. Payment by a Customer to a third party (including a Third Party Gas Supplier) which has not been designated by Company as an Authorized Payment Agent will not satisfy the Customer's obligation to make payment of Company's bill for Gas Service.

Customer affirms that it has been informed of the list of approved pool managers for the supply of gas for transportation under Rider NCTS, available on the PGS website (www.peoplesgas.com).
