CUSTOMER COMMENTS

Upon attending the meeting and reading over the proposed increase, I feel that you are trying to target only Heather Hills residents to help you pay your debts. I am completely against this, it just is unfair to target senior citizens on fixed income in one of 13 of your companies. We live on a fixed income and cannot afford this increase as is the same for most residents. Our water bill has increased over the past year already. Besides this, we do not get the needed service for our water lines & things that go wrong with our water service.
