RE: Docket No. 20140234-EI – Gulf Power Company’s request for extension of confidential treatment of the audit work papers for staff’s report entitled *Review of Physical Security Protection of Utility Substations and Control Centers* (December 2014), PA-14-05-003.

Audit staff has reviewed GPC’s request for confidentiality in DN 11118-2019 concerning portions of audit staff’s work papers in DN 06521-2014. GPC’s Exhibit C in DN 06520-2014 remains in effect and contains the justification matrix that identifies the information requested to be classified as confidential under Section 366.093(3)(c), Florida Statutes.

We concur and recommend that the information identified in DN 06521-2014 should be protected as requested. Audit staff also recommends that the same information in DN 00900-2015 should remain confidential and that both DN 06521-14 and DN 00900-2015 be included in the resulting order.
