I understand you intend to raise water rates @ 300%, which will affect Fawn Ridge RV resort. I've been an ^{owner} member of this beautiful resort a few years. I'm a full-time RVer & stay in Fawn Ridge throughout our stay in Florida. I stay 2 wks at a time with a total of 12 wks spread over Dec-Apr. Never in my life have I heard of a 300% increase at one time. As a retired person, this will create a hardship. Please reconsider such a terrible increase. Something to think about - what would you do if rates went up 300% at your home?
