To Whom It May Concern,

My wife and I are in our mid 70's living on a limited income. Our main income is from social security and an IRA started in later years of my working career. Coming from up north, we were looking for a warmer climate and we came to Deer Creek and it seemed to be a nice place that we could afford. But with this huge water increase its almost impossible to stay here. We are owners of Fawn Ridge. Please vote no to the 300% increase.
