REFERENCE: Docket No. 20190071-WS

Application for increased water rates in Polk County by: Deer Creek RV Golf & Country Club, Inc.

Dear Chairman and Commissioners: Mr. Clark, Ms. Brown, Mr. Polmann, Mr. Fay

I have been a resident at Deer Creek RV Golf & Country Club since 2005. This was a developing community at the time we purchased and saw great retirement potential. We have supported all the rate increases as we watched this community evolve. This most recent request in our water rates is very excessive. I do understand and support increases to support our system and include a small emergency fund as well but 130% all at once is going to be a hardship on many of our residents who are supported solely by social security and those rates increase at a much small yearly cost of living increase.

Please consider the impact of this excessive immediate increase on our residents and support and more manageable increase to support their operating funds.

Thank you for your Consideration.

Sincerely,  
Carol and Albion Palmer
