Subject: Docket # 20190071-WS

As an retiree of Fawn Ridge, we were informed of a proposed increase of our water cost in the excess of 308% This is extremely unheard of and unfair since this hearing was held in December while the majority of the deed owners weren't available for the hearing.

I oppose of this proposed application for increase of our water cost

This complaint should be included in the application to oppose the water cost increase .

Sincerely,
Mae Sorbo
