Subject: Rate increase for water @ Fawn Ridge

Commissioner Clark:

Docket # 20190071-WS

We are writing to protest the outrageous 308% proposed increase for the water usage @ Fawn Ridge Campground in Davenport, FL. Most members are retirees (Seniors) like us, with a limited budget. This increase would be a hardship on us, if not prevent us from enjoying what we have already bought into.

Water at Fawn Ridge is metered and every drop that comes in is paid for. Deer Creek Utilities has done nothing to account for the 30% they claim to be losing. Also, the hearing was held in December, when most members cannot be present. This increase seems "over the moon" & ridiculous!

Thank you for your attention to this matter.

Sincerely,
Mary & Hassell McClanahan
