Dear Commissioner Brown:

Re: Doclet # 20190071-WS

This is to strongly protest the proposed rate increase for water for Fawn Ridge Campground. A 308% increase seems utterly ludicrous in any case. But especially so when most members are advanced Seniors, living on a fixed income. Besides, the water for Fawn Ridge is metered and every gallon coming in is paid for. However, Deer Creek Utilities has done nothing to search for the 30% they claim to be losing.

Moreover, the hearing was held in December, when most members who are able to come, are not there yet. It just seems like an unreasonable amount!

Thank you for reviewing this matter.

Yours truly,  
Mary & Hassell McClanahan
