Re: Docket # 20190071-WS

Dear Commissioners,

We are writing to express our displeasure that Deer Creek RV and Country Club, Inc has filed for what appears to be a ridiculous increase in water and wastewater rates DOCKET # 20190071-WS.

Taken from your Rate Case

Overview my water bill would increase 365% and the wastewater bill would increase by 43%. We are Retired and Living on a Fixed Income as well as most of our neighbors, which will put a severe impact on our budget

We don't mind financial increases when they are needed but how can Deer Creek say they need more money when we the residents are to some extent paying for the water and wastewater of the Commercial Businesses up in front of our Resort!!( the businesses between Deer Creek and Rte 27) THIS IS CRAZY. Why can't Deer Creek or WHY doesn't Deer Creek bill these Businesses for their use??

Our final thought to each of you is: Would YOU want to pay for water and wastewater for Businesses in YOUR AREA?

PLEASE VOTE NO ON THIS REQUEST
