CUSTOMER COMMENTS
Deer Creek utility is a new utility (1 yr.) and are already asking for an exponential increase. Realizing the cost of living has increased (social security rec 1.6% (PI)) I do expect an increase. But, not an increase of \$22.13 based on a 2,000 gallon consumption. Perhaps Deer Creek needs better management; administrative cost cuts, etc. I expect an increase but not double or triple. As a snowbird I am only here four months out of the year (as most residents) and do not use any water. Please review and be fair to the residents of Deer Creek.
