Thank you for the confirmation, Charlie. Per your instruction below, the City of Vero Beach's Utility Code, EM880, will be reflected as inactive in MCD. Per our conversation, we cannot delete the company code from MCD completely because it would delete historical information. A note was placed in MCD regarding same.

Dorothy

Hi Dorothy,

The Vero Beach Utility no longer exists. If EM880 is Vero Beach's code, as opposed to FPL's code, the code should be reflected as "inactive" unless there is a way for that code to be deleted and cease to exist at all.

Charlie

Hi Charlie,

We received DN 00031-2020 on 1/2/20 from City of Vero Beach/Rubin. He provided follow-up on conversations with CLK/Teitzman and you regarding FPL's acquisition of the electric utility formerly owned and operated by the City of Vero Beach, advising that the City of Vero Beach's authority to operate as an electric utility should be cancelled, should not be identified in the Commission's records as an active electric utility, and requesting that Company Code EM880 be changed to inactive status. Please confirm whether or not to reflect Company Code EM880 as inactive in MCD.

Thank you for your help,

Dorothy
