**Re: Notification Regarding a *Pro Forma* Consolidation Affecting Sunesys, LLC  
and Crown Castle Fiber LLC**

### **Surrender of the Certificate of Sunesys, LLC**

Dear Executive Director Baez:

On behalf of Crown Castle Fiber LLC ("Crown Castle Fiber"), as the successor-in-interest to Sunesys, LLC ("Sunesys", together with Crown Castle Fiber, the "Parties"), this letter notifies the Commission that a *Pro Forma* Consolidation (as defined below) completed on December 31, 2018, resulted in (1) the *pro forma* consolidation of Sunesys into Crown Castle Fiber and (2) *pro forma* changes in the ownership chain of Crown Castle Fiber.

In connection with the *Pro Forma* Consolidation, Crown Castle Fiber surrenders Sunesys' Certificate effective immediately or as soon as the Commission can take such action. To the extent that Sunesys has any tariffs on file with the Commission, Crown Castle Fiber also requests that such tariffs be cancelled and withdrawn.

### **Description of the *Pro Forma* Consolidation**

The *Pro Forma* Consolidation involved a series of planned intra-company transactions whereby certain of Crown Castle Fiber's operating company affiliates (including Sunesys) and/or operations and assets of its affiliates were consolidated into Crown Castle Fiber and certain of Crown Castle Fiber's parent companies also were consolidated. The *Pro Forma* Consolidation was undertaken, in part, to streamline the corporate structure and operations of over 20 operating entities of Crown Castle International Corp. ("CCIC") that provide fiber-based services into a single unified and rebranded operating entity:<sup>1</sup> Crown Castle Fiber LLC.

The *Pro Forma* Consolidation also resulted in a change in the intermediate corporate holding company structure between CCIC and Crown Castle Fiber. As a result of the *Pro Forma* Consolidation, Crown Castle Fiber is a direct, wholly owned subsidiary of Crown Castle Fiber Holdings Corp., a Delaware corporation, which was previously a Delaware limited liability company named LTS Group Holdings, LLC<sup>2</sup> and a direct, wholly owned subsidiary of Crown Castle Operating Company ("CCOC"). CCOC is a Delaware corporation and a direct, wholly owned subsidiary of CCIC. Charts depicting the pre-*Pro Forma* Consolidation and current ownership structure are attached as **Exhibit A**.

As a result of the *Pro Forma* Consolidation, Sunesys no longer exists as a separate corporate entity. As of January 1, 2019, Crown Castle Fiber provides telecommunications services to the Sunesys' customers pursuant to Crown Castle Fiber's Certificate of Authority No. 8917<sup>3</sup> under

---

<sup>1</sup> Certain other operating entities that do not operate in Florida were retained for other reasons.

<sup>2</sup> As part of the *Pro Forma* Consolidation, LTS Group Holdings, LLC converted from a Delaware limited liability company into a Delaware corporation and was renamed Crown Castle Fiber Holdings Corp. As a result of the *Pro Forma* Consolidation, Crown Castle Fiber Holdings Corp. is a direct, wholly owned subsidiary of CCOC.

<sup>3</sup> See Order Nos. PSC-2018-0143-PAA-TX & PSC-2018-0181-CO-TX. This Certificate was originally issued in the name of Lighttower Fiber Networks II, LLC, which subsequently changed its name to Crown Castle Fiber. See Docket No. 20180126-TX.

the same rates, terms and conditions as the services previously provided pursuant to individually negotiated contracts with Sunesys. The *Pro Forma* Consolidation, therefore, was seamless to customers.

### **Surrender of the Certificate of Sunesys**

Because Sunesys no longer provide telecommunications in Florida and Sunesys no longer exists as a separate corporate entity, Crown Castle Fiber respectfully surrenders the following Certificate of Sunesys effective immediately and requests that the Commission cancel the Certificate at the earliest possible date:

Sunesys holds CLEC Certificate No. 8651.

To the extent that Sunesys has any tariffs on file with Commission, Crown Castle Fiber also requests that such tariffs be cancelled and withdrawn.

Any questions or inquiries regarding any outstanding regulatory obligations of Sunesys should be directed to:
