**Subject:** Electricity Prices/Duke energy

Under our terrible situation with the virus, we are all suffering especially economically. Please look into lowering rates review. With the drop in fuel oil prices, it only makes sense to help the people.

**Subject:** Energy review

Please help. The energy rates at Duke Energy in Pinellas county are still high despite the fact that the price of oil etc has gone down. Our bills should be going down also.

Please have an energy review and lower these rates. That seems fair.

Arlene Burrows  
Pinellas county, Fl
