Review of 2020-2029 Storm Protection Plan pursuant to Rule 25-6.030, F.A.C., Florida
Power & Light Company.

Dear Mr. Teitzman:

Enclosed for filing in this docket on behalf of the Office of Public Counsel ("OPC") is a CD copy of the confidential version of the direct testimony and exhibits of Kevin J. Mara

The testimony and exhibits of Mr. Mara contain information that Florida Power Light & Light Company ("FPL") has asserted to be confidential or highly confidential. Today, OPC is providing the testimony and exhibits of Mr. Mara to FPL for its review. FPL will redact the material it claims to be confidential, and return a redacted version of the testimony to OPC for filing with the Commission. Accordingly, FPL will file a Notice of Intent to Claim Confidential Classification today in advance of the OPC filing in order to protect its claims pending its review and further filings. It is also our understanding that after review of the testimony, FPL will provide any Request for Confidential Classification ("RCC"), including the highlighted confidential material and the accompanying detailed justification, in a separate filing that will necessitate that

the testimony filed today be replaced at that time with the highlighted version of the complete, unredacted testimony. At that time FPL will also provide redacted pages for use in filing a public version of any material it claims to be confidential pursuant to an RCC, OPC reserves its right to challenge FPL's claims of confidentiality at the appropriate time.

The OPC will, upon confirmation in writing from FPL that such party, if any, is authorized to receive the information, serve the confidential version of testimony on any party authorized to receive it. Staff and all other parties will be served with a Public Version as soon as it becomes available.

Please indicate the time and date of receipt on the enclosed duplicate of this letter and return it to our office. Thank you for your assistance.
