Re: Docket No. 20200164-EU

Dear Mr. Teitzman:

On June 4, 2020, FPL and LCEC filed with the Commission a Joint Petition for Approval of Amendment to Territorial Agreement in Docket No. 20200164-EU. After making the filing, the Joint Petitioners have discovered a typographical error that they agree can be corrected ministerially. On page 3, paragraph 3 of Appendix A, the second reference to “Exchange Parcel A” should read “Exchange Parcel B” as shown in redline as follows:

3. **Transition**. There are currently no existing customers or electric facilities within Exchange Parcel A or Exchange Parcel B. Thus, no transition of electric service is required.

A new page 3 to Appendix A which corrects the typographical error is attached. Please replace original page 3 to Appendix A with the attached corrected page. There are no other changes to the Joint Petition. If you have any questions regarding this filing, please contact me at (850) 425-5607.

Thank you for your consideration.

Sincerely,

D. Bruce May
