COMPLAINT INFORMATION

Complaint: Other Complaint against Utilities, Inc. of Florida

Details:

I wonder just how many more increases you feel the consumer can bear with UI's constant increases. We were hit with a huge increase by UI in recent history & it just never seems to end. Where is the sanity on the PSC when they keep allowing a constant barrage of willy-nilly profiteering by this horror of a water service company. Stop the nonsense and start looking closely at who you are dealing with. Start protecting the consumers you work for. We pay your generous salaries.
