Re: Docket No. 20200056-EG, Petition for approval of demand-side management plan and request to modify residential and business on call tariff sheets, by Florida Power & Light Company.

Dear Mr. Bubriski:

The Florida Public Service Commission (Commission) approved Florida Power & Light Company's (FPL) Demand-Side Management (DSM) Plan with some modifications by Order No. PSC-2020-0274-PAA-EG, which was issued on August 3, 2020. The Order has a protest period that extends until August 24, 2020, after which if no protest is filed, a Consummating Order will be issued. Within 30 days of the Commission's Consummating Order being issued in this docket, please submit administrative program standards for FPL's approved DSM Plan for review.

Regards,

/s/ Tom Ballinger
