Subject: Protect our solar rights! Docket: 2020-0000

Dear Florida Public Service Commission,

I am a homeowner in the Winter Haven area. I've very successfully operated my 10kW rooftop photovoltaic system for several years.

A tremendous number of homes in Florida also could employ roof top systems, for the benefit of our environment and for their personal economic benefit, too.

Through NET METERING please help me retain my economic benefit. And likewise continue to provide incentive for other homeowners, like me, to go solar, and benefit our environment, too.

Thank You Sincerely,
Marc V. Hurst

Sincerely,
Marc Hurst
