Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

For almost 25 years, I have thought of FPL asvan honest Company.

Please just because our President is involved in illegal (against our laws), activities - do not go that route and keep your customers included with the great company you have been.

Sincerely,

Mrs. Patricia Norton
