Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

Please stop the utilities from ripping us off. It took me 8 days to get power back when Irma hit and FPL's efforts amount to nothing that will help the consumer.

Sincerely,

Mr. Richard Mastrianna
