Subject: Protect our solar rights! Docket: 2020-0000

Dear Florida Public Service Commission,

Adding a photovoltaic array to my home has been a sweeping benefit to my family budget, especially during the hot months. I have several neighbors who are equally thrilled with the improvement.

I wish to see my tax dollars used to EXPAND the adoption of solar in the Sunshine State, not impede it. It we are proud of our state's nickname, its public policy should share that pride!

Sincerely,  
Corbett Kroehler
