Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

Once again, Florida chooses profit-for-a-few over what's-best-for-the- many. Always amazed how our state's politicians keep getting elected.

Maybe the answer is found in the state's near bottom-ranked educational system?

P.S. Why must I choose a title or leave my phone number? I could use Captain, retired, but somehow it's not acceptable.

Sincerely,

Mr. Tom Whitford
