Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

Stop the Electric Utilities' Boondoggle (Docket 20200092-E1). My power company is FPL. My name is Richard Duncan. My service and home address is 2367 NW 29th Road, Boca Raton FL 33431. I strenuously object to this rate increase to all customers so that a few may have their power lines buried. My community has buried lines, yet we lose power because the main lines go down. In these times of hardship, the last thing we need is an increased bill of any kind. Thank you for your consideration.
Sincerely, Richard Duncan

Sincerely,

Mr. Richard Duncan
