RE: Lift Force Majeure Declaration

Dear Mr. Teitzman:

Pursuant to Section 4.5.2 of its Self Effectuating Enforcement Mechanisms Administration Plan ("SEEM Plan"), AT&T Florida declared a force majeure event that began starting March 16, 2020, in connection with various federal, state and local governmental declarations in order to mitigate the threat of the COVID-19 virus.

As of September 21, 2020, AT&T Florida has lifted its force majeure declaration for the Ordering and Billing Service Quality Measurements ("SQMs") statewide; the declaration for these measures began on March 16.

AT&T Florida remains under its statewide force majeure declaration related to the COVID-19 virus for Provisioning and Maintenance & Repair SQMs declared for these measures beginning March 20th, and the Trunk Group Performance for wire centers affected by Hurricane Sally declared on September 16th.

AT&T Florida will apprise the Commission periodically on status, providing notification as this force majeure event concludes. Additionally, AT&T will continue to keep CLECs notified via our normal processes.

If you have any questions concerning this matter, please contact MaryRose Sirianni at (850) 577-5553.

Sincerely,

MaryRose Sirianni
