Re: First Coast Regional Utilities, Inc. ("First Coast"); Docket No. 20190168-WS

Dear Mr. Teitzman,

On July 28, 2020, Commissioner and Prehearing Officer Graham granted First Coast's Motion for a Stay of Proceedings and ordered the parties to report within 60 days as to the status of the docket, settlement negotiations and the need, if any, to continue or cease the stay of the proceedings. The parties have been unable to resolve this matter and thus, our client, First Coast, requests that this case be set for hearing. Our client further suggests that the discovery cutoff be set for on or about November 13th.

We have discussed this matter with counsel for the Petitioner, who will be sending a separate communication to the Commission in this regard.

Should you have any questions or comments concerning the above, please do not hesitate to contact me.

Sincerely,

SUNDSTROM & MINDLIN, LLP
