Florida PSC PSC PSC
FL

Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

Regarding Docket 20200092-E1

I urge the PSC to oppose the Utilities Storm Protection Plan.
I get my service from Gulf Power and I do not want to see my rates go up.

Sincerely,
Ronald Larsen
