Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

Doc: 20200092-E1 To insure you know me. Russet Coviello, 2427 River Ridge dr, Sarasota FL, a customer of FPL. I am opposed to such shenanigans to make more money off of the backs of Floridians who are struggling as it is. Let's face it you get free sunshine then charge us to get it to us. Pass those savings into us instead of the pocket books of the stock holders and management.

Sincerely,

Mrs. Russet Coviello
