Dear Sirs,

I don't have computer or any services - I can't do Virtual

I'm writing in my request to not ~~raise~~ raise our Rates we pay enough for our services already - especially at this time in our world with Jobs and and the loss of money -

We don't need to be paying more for anything. We all have to live and ~~pay~~ - gas for cars utilities already charged -

We don't need any of our bills raised at this time - we can hardly meet our bills as they are.

Why would you even use this up at this sad time in our world.

Thank you James Brown

hope my opinion matters
