Docket #
20200092-E1

Dear Mr. Tetzman,

My name is Patricia Mickunas. I live at
5565 Hobson Street N.E., St. Petersburg, FL ³³⁷⁰³
I receive my electric power from Duke
Energy.

I am opposed to the recent regulatory
proceedings for Florida's electric utilities Storm
Protection Plans. Their electricity restoration after
a storm will benefit very few Floridians. These
plans will ~~increase~~ increase the cost of our
electric service dramatically over the coming
years. We already pay very high rates in
Florida!

Please defeat this action. It is a ploy
to increase profits for electric companies
on the backs of the citizens of Florida.

Sincerely,

Patricia Mickunas
