**PEOPLES GAS SYSTEM's NOTICE OF INTENT TO  
REQUEST CONFIDENTIAL TREATMENT**

Pursuant to Sections 366.093 and 119.07, *Florida Statutes* and 25-22.006, *Florida Administrative Code*, Peoples Gas System ("Peoples") submits the following Request for Confidential Treatment to documents, produced in its response to Request to Production Nos. 30 and 33 of Staff's Tenth Request for Production of Documents which response is submitted for filing concurrently herewith or has heretofore been filed:

1. Peoples has not attached a line by line redaction of the responsive material in question regarding response to Request for Production Nos. 30 and 33 because Peoples is asserting confidential treatment for the entire document. The documents numbered BS 17,164 – 17,172 and 17,177 contain information related to the Company's competitive interest, the disclosure of which would impair the competitive business of Peoples. A line by line redaction of the responsive material would make it is necessary to redact the entire documents and there would be no purpose served in attaching blank pieces of paper corresponding to the numbered document at issue.

2. The material for which confidential classification is sought is intended to be and is treated as private by Peoples, and contains proprietary confidential business information

as defined under Section 366.093(2), and (3)(d), and 3(e), *Florida Statutes*.

3. Peoples gives notice that the documents for which it seeks confidential classification not be declassified until 18 months after the date of the Commission's order granting this request (see Section 366.093(4), *Florida Statutes*). The time period requested is necessary to protect the information concerning Peoples competitive business interests. The period of time requested will ultimately protect Peoples, Tampa Electric Company, and Emera and its customers.

**WHEREFORE**, Peoples submits the foregoing as its request for confidential treatment of the information of the documents to be produced in its response to Request to Production Nos. 30 and 33 of Staff's Tenth Request for Production of Documents.

Respectfully submitted,
