Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

as a senior on a fixed income I cant afford for our bill to go up that much. we just put solar panels up to help keep our monthly bills down.

Please help senior keep bills under control.

thank you
