**Re: Docket No. 20200000-OT; Florida Power & Light Company's (FPL) Form PSC/ECO 13-E, Exhibit 1 Filing Concerning Underground Residential Differential (URD) Charges**

Dear Mr. Teitzman:

Pursuant to Rule 25-6.078(3), F.A.C., enclosed please find FPL's Form PSC/ECO 13-E, Exhibit 1, reflecting the updated Overhead vs. Underground Charge Differential for a Low Density 210 Residential Lot Subdivision. As reflected on the enclosed Form, the current cost differential is less than 10% from FPL's last approved URD charge for a low density subdivision. Accordingly, FPL is not required to file an updated written URD policy and supporting data and analyses in 2021.

If there are any questions regarding this transmittal, please contact me at (561) 691-7263.

Sincerely,

/s/ David M. Lee
