CUSTOMER COMMENTS

No! No! A thousand times NO! Our water bill from Utilities Inc has very nearly tripled since 2015!  
In 2017, my average bill was \$65 per month. Over the last 12 months our average bill is \$143.25 per month. That is a 120% increase in less than 3 years!  
And Utilities Inc has the nerve to ask once again for another rate increase?  
It's outrageous! This is highway robbery disguised as a utility company!  
PLEASE VOTE NO on another rate increase!
