CUSTOMER COMMENTS

When Utilities of Florida took over
my water service from Saraland
my water ^{bill} was tripled, yes
tripled. This was quite a shock.
An increase might be expected,
but not tripling my bill.
Now, a short time later you are
asking for an increase beyond
my present bill. I believe in this
time of Covid we should all try to
keep our expenses down. I am
retired, 88 years old and on Social
Security. I do not look forward to
tripling my income.
