CUSTOMER COMMENTS

<p>We are a Senior, Retired couple living on our social security. This determines our budget. The constant increase in our water rates seems to be never ending. We try to conserve in our usage and use our sprinkler system only when necessary. Utilities Inc. would do well to consult with our Seco Elec. provider as they are <u>lowering</u> our rates! Or possibly charging more on the companies that are using our water to bottle and sell!!</p>
