CUSTOMER COMMENTS	
During this time of worldwide Pandemic do not raise rate on utilities esp. water. 2020 is extremely difficult do not make it harder. IF Utilities was profitable last year, why even think about increased cost. \$15.74 is to much on waste water to increase and \$3.49 on 5,000 gallons is to much. Do not increase OR bearly increase maybe .50 cent per 5000 and \$4.74 on waste water
